

PRODUCT DATA SHEET

Product: MMP Substrate-1

Cat. No: AC-051 (5 mg)

Description:

Matrix Metalloprotease Substrate-1.

Sequence:

DNP-Pro-Leu-Gly-Met-Trp-Ser-Arg-OH

Molecular Weight: 1012

Format:

Yellow solid.

Analytical Data:

HPLC: 96 +/- 1%

Mass Spec: M+H=1013

Storage and Stability:

Keep desiccated at -20 °C.

Limitations:

For *in vitro* research use only. Not for use in diagnostics or in humans.

Warranty:

No warranties, expressed or implied, are made regarding the use of this product. KAMIYA BIOMEDICAL COMPANY is not liable for any damage, personal injury, or economic loss caused by this product.
